

OutsideIn (InsideOut)

A huge shop in the Harvey Centre in Harlow, previously JJB sports, is opening as a 'pop-up' gallery following its lease by ACAVA and Gatehouse Arts to produce art shows and workshops.

The first show "OutsideIn (InsideOut)" curated by Robert Davies includes installations created from seven large wooden industrial packing crates. The exhibition runs from 16th May to 23rd June with a PV 6-9 on Tuesday 15th May.
