

Heritage Lottery Funded project completed...

A Mirror for the Sea, a project funded by HLF and The Royal Docks Trust as been completed. The project was led by Phil Coy and incorporated heritage learning opportunities for ACAVA artists and Look Ahead Care and Support customers who volunteered to take part. The focus of the project was the rich history of Flying Angel House which was built in 1936 as the flagship Mission to Seafarers hostel for seamen arriving on ships into The Royal Docks.

More about the project can be found [here](#). [1]

PDFs of the audio guides can be downloaded above.
