

Beyond The Garret: Artists' Studios Now

In light of recent plans to create a number of artist studios as part of the Spode Factory redevelopment, Beyond the Garret is a timely event which seeks to explore current models of Artists' studios today and in the future through a series of case studies and group discussion.

The case studies will be provided by:

AirSpace Gallery - Stoke-on-Trent

The Association for Cultural Advancement through Visual Art (ACAVA)

East Street Arts - Leeds

Grand Union - Birmingham

Vulpes Vulpes - London

The Royal Standard - Liverpool

Followed by a BBQ, Open Studios event and opportunity to view Indefinable Cities at AirSpace Gallery from 4-6pm

This event will interest artists who would like to learn more about studios, current and future studio providers or developers, and those interested in being part of a regional and/or national network. Beyond The Garret is delivered by AirSpace Gallery, Stoke-on-Trent and the Artist Development programme run by The New Art Gallery Walsall in partnership with Turning Point West Midlands.
