

Art In The Park Exhibition at Barham Park's Inaugural Open Studios Weekend

This weekend Barham Park Studios will open its studio doors for the first time since the building's inauguration late September last year. As part of the inaugural Barham Park Open Studios Weekend, [Art In The Park 2015](#) [1] artist Raksha Patel will run the last instalment of her workshop '[Botanical Paints and Print Making](#)' [2] for over 55s. The session will happen this Saturday morning, 10.30am-12.30pm at the Community Art Studio in the main building. Patel's workshop is one in a series of three Summer workshops ran alongside artists Ursula Kelly and Joshua Bilton.

The Summer activities ran by Raksha Patel, Ursula Kelly and Joshua Bilton will culminate in an exhibition of work by local people concurrent with the open studios and also open to the public.
