### Callout for an artist to create a Feedback Tree

We're looking for an artist available one day this week to create a portable 'Feedback Tree' to be used at community engagement events in north Kensington around breathing problems post Grenfell.

The piece must be ready to be used at an event on 25 September 2017.

Details:

Fee: £248.00 plus materials (to be negotiated).

'Feedback Tree' needs to be portable, about A0 size, and allow community members to leave feedback about the sessions being delivered.

Apply:

Interested artists should send their C.V., a sentence on how they would make the tree plus a relevant image of similar work to [rridgway@acava.org](mailto:rridgway@acava.org) [1]
