

James Harkness presents tart and The Hut Project by tart by tart and The Hut Project. Say that again Dee...

A one evening event at ACAVA Limehouse Studios.

30/11/15

7pm

Received these texts to Old Hut's phone yesterday...Craigslist is quite active eh..well till lunch time anyway... p.s. the 'early tonight' thing was because old sausage fingers here pressed send just as 'Sailing By' was playing by mistake (so about a minute early)...its actually quite a tense moment...got a bit jumpy... p.p.s. the craigslist posting has been 'removed by its author'. Oh wow... It's kicking off!! What did the Craiglist thing say? Did you see it before it was removed? Don't know but there's lots of references to a nautical scene so...all the nice boys love a sailor! Quite nice to just have its 'reflection' in fact... one for the website! I texted Matthew this morning to see how the script is coming on... no reply as of yet. In the meantime...may I suggest a theme tune for Sunday: <https://www.youtube.com/watch?v=ytWz0qVvBZO> [1] Hehe. We could reply and get a bunch of them to meet on the beach on Sunday. 'I'll be holding a big spade'??
