

## The Fumifugiums Orchestra

Maxilla Studios artist Rachel Nee is looking for local families who live close to the Westway motorway (within 400 metres) who would like to participate in an art and science project.

The initial stages of the project requires data collection from air pollution monitors placed close to the A40. The data collected will be used to inform the rest of the project and include a series of workshops specifically for teens, as well as a series of family workshops programmed for 2020.

Families interested in having a small air-pollution monitor outside their home for a fixed period of time can meet with Rachel to find out more about the project on **Wednesday 30th October** anytime between 4pm-7pm, at Maxilla Studios, 4 Maxilla Walk W10 6NQ.

For further information and to let her know you will be coming along, please contact Rachel on [rachaelnee@gmail.com](mailto:rachaelnee@gmail.com) [1]

If you are interested but unable to attend on 30th please contact Rachael and arrange to meet at your convenience.

Find out more about Rachael's work [here](#) [2].
