

The Harlow Art and Sculpture Trail 2017

The Harlow Art and Sculpture Trail is a celebration of the visual art activity in Harlow Town Centre and provides a unique opportunity to see an exciting range of artwork being produced in the area by local artists.

The artworks can be found in the windows of shops, businesses and venues in the Town Centre. The trail has been organised by a partnership consisting of Gatehouse Arts, The Gibberd Gallery and The Harvey Shopping Centre.

Harlow Town also has the best examples of post war sculptures in the South of England, with works by famous artists such as Henry Moore, Dame Elizabeth Frink and Auguste Rodin. The Harlow Art and Sculpture Trail includes only a fraction of the sculptures which can be found in this important public collection, more information about the whole collection is available on a free downloadable app. (Harlow Art Trust) or from a sculpture map which can be picked up from The Gibberd Gallery and other local venues.
