

### Exhibition of work by Khadija Saye opens in Notting Hill

7th July 2020

An exhibition of work by Khadija Saye, an artist who died tragically at Grenfell at the age of 24, has opened today in Westbourne Grove, Notting Hill. Titled 'Breath is Invisible' the show is part of a project aiming to address lack of diversity in the arts sector in the UK.

Read the an article in the Guardian giving a background to the project [here](#) [1].
