### Whitefriars Studios

Winsor & Newton Building  
Whitefriars Avenue  
London  
HA3 5RN

World renowned colourmen Winsor & Newton, established in 1832, set up their factory in Wealdstone in 1937. In 2017 the offices were converted to provide creative workspace.

On the ground floor are 14 artists' studios and a gallery. All have excellent light, 6 have separate entrances. The studios range from 290-516sq ft.
