## THE TEAM

The Grenfell Memorial Community Mosaic was a collaboration initiated in 2018 by ACAVA in partnership with Al Manaar, The Muslim Cultural Heritage Centre.

It was led by Lisa Nash (Programme Manager, ACAVA) and Ismahan Egal (Art Therapy Coordinator, Al Manaar) with mosaic artists Emily Fuller and Tomomi Yoshida.

## ABOUT the PROJECT

Walking as One is the culmination of a four-year project bringing together hundreds of local people to memorialise the tragedy through the creation of large-scale public mosaics.

Marking the route of the Silent Walk, it features 39 mosaics. Each one contains 72 gold flecks representing each life lost, and 35 feature the word 'justice' reflecting the languages spoken in Grenfell Tower.

"We walked the Silent Walk from the beginning, to mark it in this way is a privilege."

"It's important to contribute to this project to remember those lost at Grenfell."

## ABOUT ACAVA

ACAVA is a leading arts education charity that has run artist studios and pioneering community arts programmes since the early 1970s.

With 20 studio buildings in London, Essex and Stoke-on-Trent we support a community of over 400 creatives and cultural organisations.

It has a 20-year history collaborating with local communities in North Kensington, creating meaningful experiences with positive outcomes on wellbeing, personal growth, and social cohesion that inspire people to participate in the arts, promote confidence and learn new skills.

## ABOUT GRENFELL SILENT WALK

Conceived by local resident Zeyad Cred as a safe and peaceful form of protest for the local community, the Silent Walk offers a way for bereaved family members, survivors, residents and the wider community to demonstrate their solidarity and commitment to seek justice.

The walk features a 72 second silence to remember each life lost and a collective chant for justice.

"In the midst of the chaos it was one of the most beautiful things I have ever seen...the 30 minute walk of pure silence was the first time in weeks I felt like I could think."

(Zeyad Cred)

## ACAVA SHOOTS

ACAVA's young and emerging photographers' group ACAVA Shoots - Jason Garcia, Ashleigh Ramel and Andreia Sofia with mentor Zute Lightfoot - have documented the project from the first workshops to the final installation.

Their photographs of the project and the local community will be on display at ACAVA's Maxilla Walk Studios and The Photographers' Gallery in June and July 2022.
